Pastoral Letter

Dear Friends,

Welcome back! Hopefully, you've had a good August in which you have been able to restore your 'life batteries', and come back this autumn refreshed and ready for another season to begin.

September is that time of year when we get back to school after the summer break, along with our other routines. As disciples we are all called to learn from Jesus and live like Him. God wants us to make a difference as disciples in our school and workplace, family and friends.

As Paul writes:

'And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him.' (Colossians 3:17).

'WHATEVER you do': God is at work in every aspect of our lives. He can use whatever we do to make a difference to those around. Do we believe this? Our lives shouldn't be like an orange, segmented into the sacred and secular, but more like an apple, in which the whole is available to God.

'Whatever YOU do': God wants to use us to share God's love with the people around us, wherever we spend time. We can trust Him for the resources we need hour by hour, day by day, year by year. What do we need from Him?

'Whatever you DO': Our work is for God alone, as a response to God's love for us. How does this perspective make a difference when what we do seems hard, unrewarding, or unappreciated by others?

As disciples of Jesus Christ, our identity is rooted in God and His call upon our lives. For each of us, September represents going back to school with Jesus, to learn how we can live for Him.

With every blessing,

Brenda Evans (Lay Worship Leader)

Branch News –

Our new session starts with a Corporate Communion on Wednesday 14th September at 7.00pm in church followed by refreshments and short business meeting.

We are looking forward to the Annual Gathering this year, due to happen in Belfast on 23rd and 24th September. The two-day event will include a celebration service on the Friday (23rd), the main gathering during the day on Saturday. Four of us from Kidwelly will travel to Belfast for this event. A report will follow next month.

Re-imagining MU

Against a backdrop of declining and aging membership, a lively and positive conference at Liverpool Hope University focused on how we must move MU forward. Priorities have emerged and next steps agreed. A steering group of members and MSH staff will be working to deliver. Trustees met in August to discuss the way forward for us in St. Davids Diocese. There will be a Carmarthen Group meeting on the 19th September in the Ivy Bush Royal Hotel, Carmarthen at 10.30am.

We send our good wishes to two of our Indoor Members who celebrated birthdays in August.

Sheila and Richard Stacey celebrated their 65th Wedding Anniversary on the 17th August. We send our best wishes and congratulate them on reaching this milestone.

Harvest Prayer: All praise to the Lord of the harvest, to the one who gives us seeds of life to sow throughout the world; who nurtures growth with his bountiful love and the living water of the Spirit. May our praises fill the earth as we united together to reap an eternal harvest. Amen.

Royal British Legion – Kidwelly Branch

Poppy Appeal organisers for Kidwelly, Ferryside, Llansaint and Mynyddygarreg, Ron and Janis Jones, were invited to a garden party at Buckingham Palace in honour of their work for the Poppy Appeal where the total collected since 2016 is £43,901.

The amount would not have been achieved without the help and support of loyal volunteers, local schools, churches and businesses.

The trip to London would not have been possible with the care and attention of the cardiac care units at both Prince Philip and Glangwili Hospitals following a recent diagnosis of a heart condition resulting in a pacemaker being fitted at the end of March for Mrs Jones, who is eternally grateful.

RBL AGM -This will be held on Monday 5th September at 7.30pm in the Community Hub.

Condolences to the family of Jennifer Denman who died on the 16th August. Jennifer was a faithful member of St. Teilo's Church and a regular attendee at the Welsh Service in St. Mary's.

We remember in our prayers all other families who have been bereaved since the last issue of the magazine: *Cast your care upon Christ our Redeemer, and trust in his promise to be by your side. His love will uphold you, his arms will enfold you, let him be your Saviour, your shepherd and guide. Amen.*

KIDWELLY SENIOR CITIZENS

Well, where did those two months go? But we did have the good weather, which was very welcome for the carnival and we had a successful day on our stall. Thank you to all members who donated and everyone who had a go. Unfortunately for me that was the day COVID struck!

We also had a trip in July to Abergavenny, which was on one of the hottest days, but we took our time and enjoyed the day. We are planning a trip for the 14th September to Narberth and St. David's. If non-members would like to go on any of our trips, contact Jackie on 891399 to check for spaces and prices. In our August meeting we were pleased to give Joan Osborne a present and card to congratulate her on her 100th Birthday for the 24th August. Joan is the first of our members ever to reach a century, and is an inspiration to us all. We sang 'For she's a jolly good fellow' and had a rousing three Hip Hip Hoorays.

We send our Good Wishes to members who are ill or recovering, and with birthdays this month, especially Una Evans who will be 90 on the 19th.

The next meeting will on 7th September, 2pm at the Rugby Club.

Article from Ty Golau for Kidwelly Parish Magazine

They say there's no such thing as a free lunch. Maybe so, but recently, service users, their carers and the volunteers associated with Ty Golau were the very grateful recipients of a free afternoon tea, courtesy of the McCarthy Stone Foundation. Jan, their manager, applied for a grant from the Foundation in the weeks coming up to Dementia Action Week (16 – 22 May), saying that the Trust would love to be able to take everyone out for afternoon tea. The McCarthy Stone Foundation wanted to support many of the small dementia groups that exist around the country “who provide an invaluable service to people in their community living with dementia” and Jan believed that that was Ty Golau to a T.

The idea of going out for afternoon tea met with the group's complete approval and just a few weeks ago, they all headed out to the Red Lion in Llandyfaelog. Everyone put on their glad rags, determined to enjoy themselves. Tastebuds were tickled by a variety of sandwiches and savouries, followed by countless cakes – cream scones with fresh fruit, cream meringues, cupcakes, bara brith, mouth-sized chocolate eclairs, all washed down with plentiful cups of tea and coffee.

Such is Ty Golau's reputation for having a good time, that they even had a gatecrasher. OK, so it was only a robin but it joined uninvited nevertheless and was reluctant to leave, having found a handy perch in the bar from where it

Friends of St. Mary's Church

Would you be interested in becoming a Friend

Friends of St. Mary's are attempting to contact people who have either a connection with the Church or would like to support its work. The minimum annual subscription of £15

Anyone can become a Friend. In particular we have thought of people who no longer live in the locality but who have had some previous contact with the Church through family links such as baptisms, weddings or through the burial of relatives in the Churchyard.

The Friends would also like to aim this part of our appeal to those who do not necessarily share our faith, but who, for a variety of reasons, might wish to be associated with St. Mary's.

If you are interested in becoming a Friend or want more information, contact: Chairman: Mr. I Hughes 01554 89-682 or Publicity Officer Mrs. Christine Hughes 01554 890235

could keep an eye on all that was happening. It didn't disappear until Jan brought out her quiz. Yes, the group might have been spending an amiable few hours together catching up with aspects of each others' lives that they don't have the chance to do at the weekly sessions, but Jan was determined they would have to put some work in so she came armed with a quiz. It was at this point that the gatecrasher took his leave. Quelle surprise! Personally, I think Jan is after Richard Osman's job on *Pointless* when he vacates his chair later this year. Alexander Armstrong will still be asking the questions but Jan will pop up from behind the computer from time to time and say to a contestant "Good guess, but wrong!"

McCARTHY STONE FOUNDATION

All too soon, it was time to go home with everyone leaving with hearts full of high spirits, bellies full of delicious food, and

conversations full of thanks to the McCarthy Stone Foundation for a very special afternoon tea.

KIDWELLY & MYNYDDYGARREG IN BLOOM COMPETITION RESULTS WINNERS 2022.

Councillor Jeanette Gilasbey was very proud and honoured to be invited by the Kidwelly Horticultural Society to announce this year's competition winners. Jeanette thanked all this year's sponsors / **Autumn Leaf Funeral Directors / Burns / Iwec and Castle** for their kindness and great support. All the winners and runners up were presented with certificates and vouchers.

Wall plaques were also given to the first prize winners plus a Kidwelly in Bloom cup was presented to the overall winner of 2022.

AND TO FINISH --- I think the time has come now for me to put away my pen and paper, even computer, in writing the village news for the Magazine. A fresh look is needed. I have written this article since the Magazine's inception by the Venerable Graham Davies well over 30 years ago so, change is healthy and hopefully, a more interesting section will be provided. If you are interested, please get in touch. Advance warning though, news doesn't come to you, you either go to look for it or, try a bit of 'Jackanory' ! **DR**

NEWYDDION YSGOL MYNYDDYGARREG

This article was too late for the Summer issue. Editor

We are well into the summer term and it's lovely to have things back to normal after the last few years with trips planned and secondary school visits back on. For June, the key stage 2 class had been learning and discussing life saving and what to do in an emergency. They went to the RNLI in Burry Port to act out some of these emergencies on the beach and had a look around the RNLI building.

A new series from the Parish Pump: St. James the Least of All – I hope you like it. - On how to save electricity in your church

The Rectory
St James the Least

My dear Nephew Darren,

Your church certainly seems to have taken to the idea of green electricity with a vengeance. To have covered the whole of your roof with solar panels was a brave move, and it makes quite a sight – especially when the sun catches them, dazzling motorists on the by-pass and causing multiple pile-ups. I pity the local pigeons, who try to land on it and then do a gentle glissade into the gutters.

I know there have been objections to your proposal to erect a wind turbine in your car park – although no one could claim that it spoils the aesthetic appearance of your church. Nothing, my dear Darren, could do that.

May I humbly offer you some further suggestions for reducing your electricity consumption. If you cut your sermons by half, then everyone could go home 20 minutes earlier. Similarly, if you only sang each chorus once instead of your customary 17 times, that should cut your service times in half. And why have lighting so good that everyone can see everyone else? That is the last thing our own congregation ever want to do.

I raised the issue at our last church council meeting, but having only recently gone on to electricity, there seemed little enthusiasm for yet more change. Major Hastings still fondly remembers our old acetylene plant in the churchyard, destroyed during one Matins when the verger was unaware of the gas leak and lit up a cigarette. We still occasionally find pieces of his cassock when mowing the grass.

Mr Prentice, with a slightly malicious gleam, suggested building a treadmill, to be worked by the Young Farmers – which would also keep them out of the pub while Evensong was taking place. I couldn't help feeling that our Ladies Group would have far more determination to keep the thing rotating – probably providing enough energy to light the entire County. I was tempted to suggest we invite the vicar from our adjoining parish, St Agatha's, to preach every Sunday, as that would fill our church with more than enough hot air.

I finally stopped all further discussion on the subject when a solar panel consultant arrived at the Rectory and began his sales pitch with the phrase: "I've come to convert you".

Your loving uncle,
Eustace
